

## Patch cord

### 1. Features

Compliant with ANSI, Bellcore, TIA/EIA, IEC etc international standards, also accord with the industrial standards of Telecom in China

Low insertion loss

Low back reflection

Corrosion resistant body

Easy Termination

### 2. Applications

Telecommunication

CATV NETWORK

Data communication Networks

### 3. Compliance

Telcordia GR-326-CORE

RoHS

### 4. Specifications

Item	Unit	Parameters
Insertion Loss	dB	≤0.30 Typical (SM)
		≤0.30 Typical (MM)
		≤0.35 Typical (MTRJ,MM)
Return Loss	dB	>40 (PC)
	dB	>60 (APC)
Temperature Range	°C	-40~75
Durability	NA	<0.20dB change after 1000 matings

### 5. Supporting product schemes
